**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive provider because its less expensive while providing a better service.

Please do NOT allow price hikes that will increase the cost of internet and telephone services.

Broadband is critical to our house allowing us to work remotely as well as providing entertainment.

A competitive provider has been great for our house and the market as a whole.
